Select one from Electives		3
<b>Hours</b>		<b>9</b>
<b>Term 5</b>		
BSAD 699	Capstone Master of Business Data Analytics	3
MGMT 441	Business Ethics	3
Select one from Electives		3
<b>Hours</b>		<b>9</b>
<b>Total Hours</b>		<b>45</b>

## Learning Outcomes

1. Gain a deep understanding of some of the tools and software that are used in modern day analytics
2. Be able to transform large data sets into insightful and actionable information in an easy-to understand format to assist organizational decision making using advanced analytical tools
3. Develop skills in forecasting, modeling and problem solving
4. Develop experience tackling industry-specific problems and challenges using advanced analytics and computational methods
