

HUMAN RESOURCES (MSHR)

An organization is only as good as its people. The Quinlan MS in Human Resources program will give you the analytical, team, and communication skills you'll need.

You'll be well-prepared to recruit, select, develop, and reward the employees that ensure your company's success every day. You'll also gain access to a strong alumni and human resources network in Chicago, and the mentor program run by Loyola's Institute of Human Resources and Employment Relations.
