MARKETING (MBA/MSM)

Loyola students may choose to combine an MBA (https://catalog.luc.edu/graduate-professional/business/next-generation-mba/) with a Master of Science in Marketing (MSM) (https://catalog.luc.edu/graduate-professional/business/marketing-msm/) to provide the breadth and depth of knowledge often required of marketing professionals.

CURRICULUM

The dual degree in business and marketing requires four fewer courses than if each degree were earned separately. Students completing the dual degree will earn an MBA with a specialization in marketing and an MSM degree.

A maximum gap of one quarter is allowed between the completion of one program and the start of the other program.

Dual Degree Programs

Students in dual degree programs are responsible for abiding by academic policies and graduation requirements of both academic units to which they are enrolled. It is strongly recommended that students schedule regular meetings with academic advisors from both units to ensure timely degree completion. Dual degree programs may have slightly different degree requirements from the standard for one or both of the degrees earned. Students should closely read through all degree requirements and ask for clarification as needed.
