

# EDUCATIONAL LEADERSHIP- PRINCIPAL PREPARATION (MEd)

As a principal, you'll have the opportunity to lead a school community and create programs and initiatives with a lasting impact on students, tackling equity issues along the way.

Designed by Loyola's School of Education faculty along with community partners, the Educational Leadership Principal Preparation MEd ensures all candidates acquire the skills necessary to be effective, justice-oriented, school principals. Through focused, in-depth coursework, candidates gain skills, perspectives, and knowledge for immediate application towards positively transforming schools, and improving student performance.
