COUNSELING FOR MINISTRY (MA)

The 36 credit hour Master Of Arts degree in Counseling For Ministry is designed to prepare students to become competent and effective pastoral caregivers in their present and future ministries.

Our contemporary social and cultural contexts reveal strong needs for ministry-based caregiving with competency from within religious traditions and their communities. The long and rich history of counseling within ministry gives witness to that commitment called “ministry of care”, or in Jesuit terms, cura personalis.

The Master’s in Counseling for Ministry degree program is suited to international students and others who do not require the 60 credit hour MA in Pastoral Counseling that is designed to meet the requirements for Illinois licensure as a clinical counselor.

The MA in Counseling for Ministry mirrors the competency requirements of the Pastoral Counseling program but without the additional licensure requirements, allowing students to serve the therapeutic needs of faith communities in the USA and around the world.
