

COMPLIANCE AND ENTERPRISE RISK MANAGEMENT (LLM)

Government and industry operate in a complex world of rules. Your skills in navigating the latest regulations and related compliance can help you map a strong career opportunity.

The Master of Laws (LLM) in Compliance & Enterprise Risk Management is a post-JD master's degree program tailored for attorneys seeking to develop or sharpen a special expertise in transactional law or compliance. You'll learn the practical skills for advising clients on best practices across a wide range of industries. Should you choose to focus in compliance, through our accredited program you will be eligible to receive a Certificate in Compliance, enabling you to sit for compliance industry examinations.

Curriculum

Coursework (https://www.luc.edu/media/lucedu/law/academics/cerm_llm_course_overview.pdf) offers in-depth training in compliance, including courses in business planning, securities regulation, corporate compliance, and the Foreign Corrupt Practices Act. You can complete the program online in two years as a part-time student. The program begins three times each year in the fall, spring, and summer.

LAW 996	LLM Thesis Project Term Two	2
Hours		2
Total Hours		8

Education Immersion Weekends

We encourage LLM students to attend our voluntary Education Immersion Weekends offered in the fall and spring each year at our Law School campus in Chicago, Illinois.

Degree Requirements

To earn your degree, you must complete 24 credits, including completion of a master's thesis. You are encouraged to attend two Education Immersion Weekends at Loyola's Chicago campus. Visit our Registrar (<https://www.luc.edu/law/currentstudents/registrar/>) for a complete list of degree requirements, academic calendars, and registration process. You may access full course descriptions through our student information system (<https://locus.luc.edu/psp/cs92prd/?cmd=login>) through guest access.

Graduate & Professional Standards and Regulations

Students in graduate and professional programs can find their Academic Policies in Graduate and Professional Academic Standards and Regulations (<https://catalog.luc.edu/graduate-professional-academic-standards-regulations/>) under their school. Any additional University Policies supercede school policies.

Learning Outcomes

You will be able to:

- Analyze ways in which governmental, institutional, and professional policies directly and indirectly influence various business sectors and can give rise to ethical or compliance violations;
- Integrate laws and regulations to operational policies and procedures to yield best practice and affirm ethical business conduct;
- Draft and negotiate transactional documents for clients across industries;

2 Compliance and Enterprise Risk Management (LLM)

- Develop skills and knowledge necessary to pass the Compliance Certification Board Certified Compliance and Ethics Professional (CCEP) certification exam (for students enrolled in the compliance certificate);
- Communicate according to professional and credible manner; and
- Serve as a compliance professional across industries.
