This combined BA degree is designed for those students who are interested in both sociology and anthropology. It focuses on those areas of the two disciplines where there is convergence in theory and methods. Through the SANT major, students are introduced to major substantive areas in both disciplines. The major allows enough choice in electives that students may focus on a broader perspective in social science than is available in either the single sociology major or the single anthropology major.

**Total Hours:** 36

Students interested in pursuing the joint Sociology-Anthropology major should consult one of the departmental Chairpersons or Undergraduate Program Directors.

### College of Arts and Sciences Graduation Requirements

All Undergraduate students in the College of Arts and Sciences are required to take two Writing Intensive courses (6 credit hours) as well as complete a foreign language requirement at 102-level or higher (3 credit hours) or a language competency test. More information can be found here [here](https://www.luc.edu/cas/college-requirements/).

### Additional Undergraduate Graduation Requirements

All Undergraduate students are required to complete the University Core, at least one Engaged Learning course, and UNIV 101. SCPS students are not required to take UNIV 101. You can find more information in the University Requirements [here](https://catalog.luc.edu/undergraduate/university-requirements/).
