

LATIN MINOR

A minor in Latin provides students with a well-rounded knowledge of Latin language, as well as ancient Roman culture and traditions. Students will become proficient at reading different genres of Latin literature in the original, finishing their senior year with a capstone course in Roman literature. Classical Studies students learn to apply their learning in cross-disciplinary, integrative ways that enable them to capitalize on multidimensional understanding of whole cultures. Minors in Latin will find themselves prepared for pre-law or pre-medical programs, business, and other careers.
