

RACE & ETHNICITY INTERDISCIPLINARY MINOR

The interdisciplinary minor in race and ethnicity will provide an interdisciplinary theoretical background on relevant ethnic and racial issues and train students to develop analytic tools for studying ethnic and racial issues. The minor provides opportunities for students to develop nuanced understandings of race and ethnicity in cross-cultural and comparative perspectives.

--------------------	-----------

Additional Requirements

As an interdisciplinary minor, students are required to count no more than two of the six courses from the same major/discipline towards the minor, with the exception of the capstone class.

Suggested Sequence of Courses

The below sequence of courses is meant to be used as a suggested path for completing coursework. An individual student's completion of requirements depends on course offerings in a given term as well as the start term for a major or graduate study. Students should consult their advisor for assistance with course selection.

Course	Title	Hours
Year 1		
Term 1		
SOCL 122	Race and Ethnic Relations	3
Hours		3
Term 2		
Theories of Race and Ethnicity Elective		3
Racial and Ethnic Inequality and Racism Elective		3
Hours		6
Year 2		
Term 3		
Historical, Cultural, and Contemporary Perspectives on Racial and Ethnic Issues Elective		3

Additional Elective Course		3
Hours		6
Term 4		
SOCL 380	Internship	3-6
Hours		3
Total Hours		18

Learning Outcomes

At the conclusion of their studies, students minoring in this minor will be able to:

- Understand theories of race and ethnicity;
- Evaluate racial and ethnic inequality; and
- Apply a race and ethnicity lens to the analysis of historical, cultural, and contemporary issues.
