

# SUSTAINABILITY MANAGEMENT MINOR

Students who wish to learn more about sustainability in business and industry may pursue the sustainable business minor.

The minor in sustainability management provides foundational knowledge of the applications of sustainability in management, marketing, and economics. Students will:

- Learn the social, environmental, and economic impacts of current business systems and consumer society
- Explore alternatives to the current system
- Gain an understanding of the scientific, moral, and business case for sustainability
- Learn standards and metrics for gauging sustainability impacts

## Important Details

At the discretion of the Quinlan School of Business, a maximum of one transfer course (<https://www.luc.edu/quinlan/academics/studentresources/undergraduate/transfercrredit/>) taken prior to matriculating at Loyola University Chicago may be allowed to satisfy

minor requirements. A 2.0 average GPA is required for all attempted business courses. (BA in Economics students must also earn a 2.0 average GPA for all attempted Economics courses).

Quinlan students are limited to double dipping once (that is, counting one course twice) between any major or minor combination, regardless of what program the major or minor is taken in. Non-Quinlan students are limited to double dipping twice (that is, counting two courses twice) between business school minors and/or their respective majors.

Students planning to study abroad are encouraged to meet with their academic advisor early in the planning stage. A student will be permitted to take up to two approved courses in any Quinlan major or minor (and including BA Economics majors). All courses must be approved by the Quinlan Undergraduate Dean.
