ADVERTISING MINOR

Students pursuing an Advertising Minor learn about the dynamic and complex advertising industry, such as consumer insights, strategic planning, account management, design, media, creative, production, and branding. Typical job areas include market research, graphic design, account service, art director, copywriting, content creator, influencer management, media planning/buying, special event planning, and account management.

The Advertising Minor would be of interest to students in a variety of academics, such as Theater, Fine Arts, Graphic Design, English, Business, Marketing, Psychology, Sociology, Anthropology, Political Science, History, and Women and Gender Studies.
